

Agenda Group 04a: Dec 8th

- 11:00 Announcements from TA and Opening by Chair
- 11:05 Review of the past week
- What has each member of the group worked on
 - What have we decided together/what do we still need to decide
 - Does anyone have questions regarding what has happened
- 11:15 Overview of our Report
- Anna: I would like to ask some clarifying questions about the UML component diagram
 - Renaming some microservices to make them more clear
 - Clarify length of full assignment 1 (does only the first part need to be 3-4 pages)?
 - Feedback on decorator pattern diagram
 - Do we need to make a uml diagram for the authentication ms as well? Or just for the decorator pattern
- 11:20 Discussing last week of Assignment 1: what still needs to be done and when
- 11:28 Closure / Final Questions
